# Cable Holder

# Cable Holder

The Brandstand Cable Holder provides hotels with a unique and effective guestroom internet cable management solution. The circular shape and the vivid color graphic insert provide an eye-catching focal point on any guestroom desk. This simple device requires minimal set-up and works with any Ethernet port connection. The guest will no longer be required to crawl on the floor or “checkout” a cable, to access the internet. The Brandstand Cable Holder brings the connection up to the desk for convenient use.

## **BSP Standard Features:**

- 10' Cat 5 Security-clipped Ethernet cable
- Steel base in black or silver
- Insert Ring in black or white
- Self-retracting cable weight feature (patent pending)
- Full color custom printed graphic insert

# Weight Feature

# Alarm Clock

# Alarm Clock

The Brandstand Alarm Clock with iPod® Dock is ergonomically designed with the hotel guest in mind. Easy to set and use the BSC100 offers an enhanced guest room experience. An automatic daily alarm reset prevents the alarms from sounding at unexpected times. The LCD display shows both alarm times, giving the guest more confidence that the alarm will sound at the desired time.

## **BSC100 Standard Features:**

- ❑ Automatic Daily Alarm Reset
- ❑ Integrated Top Mounted iPod® Dock
- ❑ iPod® and iPhone® charging
- ❑ Dual Alarm Display
- ❑ Display dimmer control
- ❑ Maximum Volume Control
- ❑ 1 inch Numbers
- ❑ Auxiliary Cable Attached to Back
- ❑ AM/FM/iPod/Aux Functions
- ❑ Built-in Time Zone Settings
- ❑ “Sleep to Music” Function
- ❑ Automatically Updates for Leap Year and Daylight Saving Time
